Darren Pereira.
Success Integrated.

Dear Darren,

I am writing to thank you for your seminar on “Shape Your Destiny” presented to year 11 and 12 students on April 19.

The concepts and principles you outlined were important and relevant, and were delivered in ways that made them exciting and accessible to young people of this age group.

The emphasis for success must be returned to the individual so that they are not victims of their circumstances, but responsible for their future. You highlighted this in your seminar and expanded the tools that students need to achieve their goals.

Your seminar has been an excellent experience for our students.

I will contact you shortly to book next year’s seminar.

Yours faithfully,
