TO WHOM IT MAY CONCERN

I would like to take this opportunity to offer our thanks to Darren Pereira from Success Integrated for running his successful motivational seminars at our school over the years.

Darren is an inspirational speaker who provides a varied program to our Year 10, 11 & 12 students. His programs are interactive and his unique way of engaging students through use of a DJ playing the latest music, personal stories, word anchors and written material for students to follow up, makes his programs highly effective & successful.

Darren asks all students to complete a written evaluation of his programs and the feedback we have received to date has been very positive. As a result, we will definitely be having Darren back this year to repeat the performance.

Darren comes with our highest recommendation and I am most happy to discuss his programs in further detail with anyone keen to use his services.

Yours sincerely
