**Re: DARREN PEREIRA
(Success Integrated)**

Darren Pereira was certainly an inspiration to our Year 11 students (and the staff present at his seminar) at the beginning of their school year in 2004.

Darren's very powerful and unique presentation certainly served its purpose and at the same time was very entertaining.

If you are after an engaging and interactive (with an emphasis on *active* presentation on 'motivation', 'goal setting' boosting 'self esteem' and realizing your 'dreams' then Darren's your man.

His presentation had a lasting impression on many of our students and we will certainly be using him again.
