## A Letter of Recommendation for Darren Pereira.

This year Darren Pereira presented a seminar entitled "Shape Your Destiny" for our Year 12 students. This seminar aimed to focus our students' thoughts for their future careers and to set realistic goals for their future endeavours.

Darren's presentation was high powered, motivational and successful. Our students were fully engaged at all times. They used both mental and physical skills and discovered yet more of their talents and gifts. The presentation was easy to understand, entertaining and informative. Darren's own personality allowed the students to feel comfortable in sharing activities, and motivated to record the asked for information.

The feedback forms filled in by the students were positive and encouraging. All of the students commented on Darren's presentation style and the genuine passion he has for what he does. They also really enjoyed the choice of music.

We would strongly recommend Darren as a motivational presenter and wish him every success as he strives to do what we want to do, and that is 'to make a difference' especially with the youth in our care.

Yours faithfully,

Mrs Carolyn Phillips  
Director of Religious Studies  
Year 12 Dean

Mrs Susan Brebner
