Dear Darren,

RE Shape your Destiny Seminar

I write to thank and congratulate you on your inspiring seminar presented to students in Years 10 and 11 at Mount Scopus College recently. It was clear that your style and structure of presentation was one that fully engaged students and as a result was truly a journey of "self discovery". The feedback received from both students and staff was extremely positive and the influence of your presentation on all those in attendance was significant.

I have no hesitation in fully recommending your "Shape Your Destiny" seminar to all schools that value engagement and critical thinking processes. This program will undoubtedly complement the personal self-development programs conducted by most schools. Congratulations again and we look forward to your return to Mount Scopus College in 2007.

Yours sincerely,

A M Robertson
Head of Senior School
