Dear Mr Daren Pereira,

RE; 'SHAPE YOUR DESTINY' SEMINAR FOR Simonds Catholic College

Just thought I would offer our thanks for the informative Seminar yesterday at the Carlton Football Club. Sometimes what we teach doesn't always sink into boys when we want. They will learn when there is a need – so many thanks for providing some reinforcement to what we teach but also some very practical ways for the boys to think about their future, with their Studies and Life choices.

Even with the slight hiccup with the booklets – the booklets are a good future reference to go back and revisit some of the particular ideas and goals setting exercises. The boys were talking about the Seminar today and I know will draw on some of the goals during VCE.

I also thought the music presentation was very directed at the boys on a very positive level and used well for the writing tasks.

Thanks for a great positive day and I'm sure there will be more talk with the boys in the follow up.

With Kind Regards,
