Re: Achieve your B.E.S.T seminar

Dear Darren

I am writing to thank you and offer my congratulations on the seminar that you presented to our year 12 students. It was very evident to me and my Heads of Houses that you are very passionate about what you do. This passion certainly does capture and motivate the students and has an infectious affect. The Year 12s have indicated to me that your seminar was energetic, inspiring and has given them a boost to carry on with the rest of the year.

I have no hesitation in recommending this seminar to schools who are wishing to motivate and energise their students. Congratulations Darren and I look forward to having you back again in 2010.

Yours truly

Bruno Testa
